

RagtimeHome.Com presents a House Concert featuring

## Marty Eggers & Virginia Tichenor

Saturday, Jan 12, 2008, 2 p.m. in Santa Rosa, CA

Please join Virginia Tichenor and Marty Eggers for this kick-off-the-new-year-right concert – an afternoon of rollicking good Ragtime and Traditional Jazz piano. Marty and Virginia are local favorites as solo pianists, and especially when they play four hands at two pianos. And with my just-acquired second piano, that’s exactly what we’ll get. Plus, they will bring along an assortment of other musical toys to accompany one another. This promises to be a “thriller” of a concert. For those who have not yet heard Marty and Virginia, visit my web site, [www.ragtimehome.com](http://www.ragtimehome.com), and follow the House Concert links. You’ll find biographical information and a couple audio clips of their playing. There is also an email form on the web site that may be used to request more information and make last-minute reservations.

Refreshments, including beer and wine and other goodies, will be served at intermission.

Seating is limited. Make your reservations early. Tickets are \$20 per person.
